

# **CREW LIABILITY FOR DOG SLEDDING**

When damage or loss of equipment, or injury to sled dogs is due to negligence, misuse, or other avoidable causes (as determined by Northern Tier management in agreement with the contractor), the replacement/repair/treatment costs will be the group's responsibility.

If equipment damage or injury to a dog is determined to be no fault of the participant (as determined by Northern Tier management), the crew will not be responsible for repair/replacement/treatment costs.

The following list is a partial list of costs that may be incurred.

## **Sled Components:**

Upright Stanchion	\$25.00
Runners (each)	\$200.00
Handlebar	\$60.00
Brush Bow	\$60.00
Aluminum X Brace	\$65.00
Toboggan Bed	\$165.00
Brake Claws (pair)	\$90.00
Brake Bar	\$50.00
Sled Bag	\$200.00 (replacement) or cost to repair
Entire Sled (excluding sled bag)	\$1050.00

The prices shown above do not include labor, which will be determined upon review of damage.

## **Sled Dogs:**

In the event that a dog is injured or killed due to the negligence of a participant, as determined by the Northern Tier management, the crew will be liable for costs for veterinary treatment and/or replacement of the dog.

---

## **CREW APPROVAL OF DOG SLEDDING DAMAGE RESPONSIBILITY**

We understand that Dog Sledding equipment lost or damaged or dogs injured resulting from abuse and/or negligence during the trip is the responsibility of the crew. Crews will be assessed replacement/repair costs as shown above, or as determined if not shown above.

The Northern Tier management staff, in consultation with the crew, will make the determination of liability.
