CAUTION TO ALL BACKCOUNTRY USERS: This park map is to be used for general information only. It is not a topographical or navigational map. Because of the changing nature of the backcountry, this map should be referred to only in conjunction with the topographical and/or navigational maps, up-to-date aerial photographs, field markers, and other available data. Please consult with Natural Resource Officers for exact, up-to-date information. Call Lac du Bonnet/Lake Winnipeg, East District Offices: (204) 345-1400 or Bissett District Office (204) 277-5212.

NOTES:
- A southern portion of the park is designated as “park reserve”, as existing mining claims in the area cannot be included within a Wilderness Park. The “park reserve” designation provides time for consultations regarding the future of the area.
- For ferry service information between the community of Bloodvein and the west shore of Lake Winnipeg, call the Manitoba Department of Highways, Marine Division in Winnipeg (204) 945-3424.
