Your **First Choice** in Wilderness Canoe Adventures

**Reservation Process**

Since demand often exceed availability, Northern Tier offers a reservation lottery for all crews during the first week in January.

If you have missed the lottery for the current season, give us a call. There are always a few spots that are available during certain windows and we can help place your crew if you are flexible on your dates!

All crews are notified of their success by Feb 1. Details on the lottery can be found at [www.ntier.org/lottery](http://www.ntier.org/lottery).

**Standard Outfitting Includes:**

- Permit coordination between the crew and the US Forest Service, as well as Canadian Park Services.
- Lightweight canoes – a discount is offered for those that prefer aluminum canoes.
- Emergency Communication Device
- Trained Guide
- Full accommodations day before and day after trip.
- Triple Crown/Grand Slam of High Adventure Award Qualification.
